MEMORANDUM FOR: Executive Officer/DDS&T

FROM:

[redacted]  
Executive Officer/DDA

SUBJECT: Request for Telephone Services

REFERENCE: DDS&T-5371/79; dtd 22 Oct 79

Tom:

Thank you for your note asking that we dispense with office heads and directorate executive officers approving requests for telephone services. It is worth noting that the Office of Communications' budget in the area that involves black telephone installations has been cut another \$400,000. [redacted] maintains that a required high level of approval does contribute to reducing the number of requests for telephone installations and changes. In view of this, I feel that it is necessary to continue the current level of approvals if indeed it helps. Telephone services is quite likely to get worse rather than better.
